

"I've known Kevin Brandon for about 17 years and I've always known his great versatility and musicianship on all the basses. Maybe it's time for you to check him out ."

**- John Patitucci
Bass Soloist**

The grooves are killer- the tunes are engaging- and the whole thing is beautifully produced.

**- Jonathan Wolff
Composer for Seinfeld**

The song that is requested the most is " Pettiford " so we keep it on our playlist.

**- Cleve Alleyne
KXLU FM 88.9**

The production is superb and I think you really know where you are going musically. The title track really grooves and fits easily into our smooth jazz format.

**- Rob Payer
WBRH 90.3 Smooth Jazz**

We will be playing track # 10 " Madness " this is the one that works best for us.

**-Gary Havens
WTPI Indianapolis**

His album Brandino " Midnight Fantasy " in my opinion is a great in which he mixes the flavors of his musicality and styles.

**- Luis Conte
Percussionist for Madonna**

Brandino is one of the most complete bass players on the Jazz scene today. Listen to his CD !!
