

**“ Who said the bass can’t lead ?? Midnight Fantasy brings in
‘ da funk’ while showcasing smooth, melodic rhythms.
Brandino delivers good stuff, with just a hint of attitude
it’s what contemporary jazz needs today. ”**

**- Kyle La Rue
WEAA-FM Baltimore**

**“ I am excited about Midnight Fantasy. It works great with the
Quiet Storm show.” (Late Night)**

**- David Lee
KCEP Las Vegas**

**“ Brandino ” is a project that reflects the true musicianship of
Kevin Brandon. His mastery on the bass is unique and forceful.
His versatility as an artist, writer, and producer can be witnessed
on this project. This musical effort gets a “thumbs up”.
Listen and enjoy.....**

World Renown Saxophonist**

**“ When you hear an electric bass that sings like an angel,
one moment, and kicks ass like the devil, the next,
you are listen to Kevin Brandon- a true master of that instrument.”**

**- Mike Stoller
Lieber & Stoller**

**“ Kevin is a versatile and proficient musician who’s awareness of
what it takes to make it feel “ Just right ” is evident in his music .”**
